Sir,

In forwarding herewith a copy of the resolution of the Birur Town Municipal Council passed at its meeting held on 19-7-44, requesting to confer on it the privilege of having an elected non-official President, I have the honour to state as follows -

1 Birur is the third biggest Municipality in this District with an annual income of about Rs 19,000/- It is the headquarters of a Hobli in Kadur Taluk, the Amildar being the Ex-Officio President of the Municipality Consequent on the opening of a Municipal High School at the place and due to the extension of the town, the work in the Municipality is increasing day by day The Amildar, Kadur Taluk, has to look after the work of the Kadur Municipality, in addition to the Revenue work of the Talukk He cannot therefore, devote sufficient attention to his duties as the President of that Municipality with his headquarters at Kadur.

The arrears under mohatarfa taxes are very heavy I am of opinion that the Municipal Councillors with a non-official President will be more vigilent and responsible and would exercise their civic functions conscientiously if the privilege of electing their own President is granted to them Further the Non-officia President can exercise better control and check over the work of the office staff I recommend, therefore, that the resolution of the Municipal Council may be favourably considered by Government

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Kadur District

President's Town Inspection Notes -

The present Amildar President has inspected the town only twice during the last ~~x~~ 9 months and he has not inspected the town since 12-9-1943 and issued instructions Even on the occasions he has inspected, no definite instructions have been issued

The work of the Amildar President in this connection is very unsatisfactory The President should inspect the town at least 5 times every month No steps have been taken to see that the Sanitary Inspector carries out the instructions issued The Sanitary Inspector's diary is not scrutinised

G e n e r a l

There has been no improvement in the affairs of the Municipality The Amildar President is a raw man having been a clerk in the Income-tax Assistant Commissioner' Office, Bangalore and does not know the work It is a a pity that he has not taken pains to learn the work inspite of my repeated instructions He has not even been inspecting the town regularly The fact that Municipal affairs have not deteriorated is due to the fact that the Village Panchayet takes interest There is a fall in Octroi revenue and greater vigilence on the part of the Municipal staff is called Strenuous efforts have to be made for collecting the mohatarfa arrears

The Municipality's finances are not in a good condition They have to meet heavy recurring charges on account of the Municipal High School and meet the cost of drainage and water supply Schemes There is an urgent necessity to improve the finances of the Municipality The finances can be greatly improved by (1) Disposal of sites, (2) Levy of Octroi on some more commodities, (3) Levy of tolls, (4) Levy of professional tax, (5) Enhancing the lighting tax as electric lights will be shortly provided unsightlysheds have been constructed in a haphazard manner without permission Efforts should be made to regulate the construction of the sheds
